## GOALS

The Friends of the Library is a group of volunteers who work to stimulate public interest in the library and to promote the resources, services and needs of the library. The Friends is a non-profit organization that helps raise money for the library in several ways, including book sales and special events. Through their support and Fundraising, the Friends help the library provide programs, equipment and books to meet the needs of the community.

### New Book Donations

The Library accepts new books in honor or memory of a special person. The library will put a label in the front of the book listing the special person's name.

If you prefer, you may make a monetary gift to the Friends of Bekkum Memorial Public Library and ask the group to make the book selection.
